Wesley Community Services (WCS) helps seniors remain independent in their own homes. WCS began in 1992 providing Meals-On-Wheels to seniors awaiting nursing home admission. WCS is now a major area provider of Meals-On-Wheels. It is the only provider of physician-prescribed therapeutic meals for seniors requiring special diets.

In the late 1990's WCS began a Medical Transport program to transport individuals to their doctor, hospital or treatment appointment. Home Care Services were first provided in 2000 to keep the homes of seniors clean, safe, and comfortable.
